

Pro Fishing Seminars

Pro anglers will help to answer your fishy questions at the Shimano take a Kid Fishing Day. Ask them about the newest products or how to catch more fish on your local waters.

The day also includes:

- Free fishing seminars
- Fishing skills lessons
- OFAH Tackle Share program
- Fly tying station
- Free tackle packages
- Free BBQ lunch for kids
- Fishing at a stocked pond

Fishing Pros will help kids get hooked through providing quality education and information.

Belwood Lake
Conservation Area

Take a Kid Fishing!

The Shimano Take a Kid Fishing Day at the Belwood Lake Conservation Area is designed to get new anglers involved in fishing and improve their skills. This event is designed for children from 9-14 and their parents.

Come out and visit the many educational stations where young anglers will learn new skills and try their hand at fishing in the stocked trout pond.

Kids will learn how to cast, rig lures, tie flies, identify various fish species and their habitats, and how to find and catch more fish. They will also get to see the latest tournament bass boats. And more!

The EVENT IS FREE for registered participants, but park entry fees apply (\$2.25 for children, \$4.00 adults).

Please Pre Register as there are limited spaces available!

Event Schedule

- 8:30-9:00 Morning Registration
- 9:00-12:00 Morning Session
- 12:00-1:00 BBQ Lunch (Free)
- 12:30-1:00 Afternoon Registration
- 1:00-4:00 Afternoon Session

***Space Limited to 120 people per half day session so register early.**

List of Stations

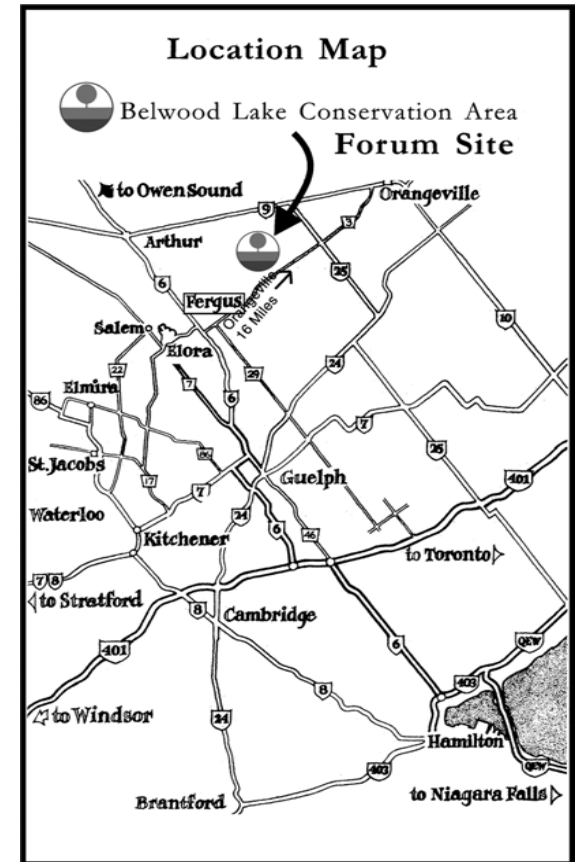

- Bassmaster Casting Kids Competition
- Learn About Fish with a Biologist
- Rig Lures & Tie Knots
- Fish for Rainbow Trout
- Archery Station
- Tips from Tournament Fishing Pros
- Tie Your Own Fly
- Lure & Fish Species Workshop

When you register you will be asked which stations you wish to visit (select 6). They will be filled on a first come first served basis.

Kids will learn more about fish and their habitat at this fun fishing event at Belwood Lake Conservation Area.
